Client Onboarding FAQ - Singapore

Internal frequently asked questions for Singapore employees. Last updated June 2025.

How long does onboarding take?

Standard institutional onboarding takes 4 to 60 business days once all documents are received.

Which documents are required for a corporate client?

We require the certificate of incorporation, a register of directors and proof of address dated within the last 90 days.

Does this apply to contractors?

Contractors should refer to the terms of their agency agreement.

Who do I contact with further questions?

Contact the regional HR Service Centre through the employee portal.
